

Task 2: Redesign a Website User Interface (UI)

Original website link : <https://evernote.com/>

Go paperless

Scan important documents and keep them handy on all your devices. Save the information—not the clutter.

[LEARN MORE →](#)

Clip the web

Save web pages (without the ads) and mark them up with arrows, highlights, and text to make them more useful.

Connect your Google Calendar

Make your schedule work for you. Your meetings and notes have context so nothing gets lost in the shuffle.
